

# Prokan Grills Unveils KANO, the First Outdoor Oven with Digital Temp Control, Delivering Precise Al Fresco Cooking

*Company Introduces the KANO 4-in-1 Propane Outdoor Oven with Digital Temperature Control and Automatic Rotating Pizza Stone for Perfect Outdoor Meals*

TUSTIN, UNITED STATES, May 15, 2024 /EINPresswire.com/ -- Prokan Grills, a leader in high-quality grills and outdoor cooking appliances since 1977, proudly announces the launch of the PROKAN KANO 4-in-1 Propane Outdoor Oven with Digital Temperature Control and Automatic Rotating Pizza Stone. This innovative product brings unparalleled precision and versatility to outdoor cooking enthusiasts, making it an ideal addition to any backyard.

The PROKAN KANO 4-in-1 features a broad temperature range, from low-and-slow cooking at 300°F (with the door open) to a high-heat sear at 900°F (with the door closed). Its intuitive touchscreen interface allows users to effortlessly control temperature settings, timers, and features like the automatic rotating pizza stone and digital meat probe, ensuring precise control over every cooking session. Take the guesswork out with our digital temperature controller, ensuring consistent cooking results. "Our digital temperature controller eliminates guesswork, delivering consistent cooking results." said Ray Chang, the CEO of Prokan Grills.

Key features of the PROKAN KANO 4-in-1 include:

- Digital Temperature Control: Precisely adjust oven temperature for "baking, grilling, broiling, and searing".

- Automatic Rotating Pizza Stone: L-shaped burner and rotating stone distribute heat evenly for perfect pizzas and other foods.
- Preheat Efficiency: Reaches 800°F in just 15 minutes, minimizing cooking time.
- Customizable Doneness Levels: Use the digital meat probe to control the desired doneness precisely.
- Wind-Proof Heat Retention: Maintains reliable performance in challenging outdoor conditions.
- Durability and Longevity: Rust-proof cast aluminum chamber end caps and 304 stainless steel chamber dome ensure durability and weather resistance.
- Optional Natural Gas Conversion Kit: Allows convenient switch between propane and natural gas.

Included accessories like a Meat probe, Pizza Peel and Cutter, along with a convenient carrying bag, enhance the outdoor cooking experience. Optional accessories such as the Mantel and Detroit Pizza Pan with Cooking Grid offer additional cooking surfaces, while the Topping Station and Containers keep ingredients organized.

“

Our digital temperature controller eliminates guesswork, delivering consistent cooking results.”
