*DriveSafe Driving Schools Hosts Governor Polis to Sign Bill for New Drivers Ed Requirements*

DENVER, COLORADO, UNITED STATES, May 14, 2024 /EINPresswire.com/ -- [DriveSafe](#) Driving Schools, a leader in drivers education, is proud to announce we will be hosting Colorado Governor Jared Polis at our Denver

Colfax School on May 15th, to sign Colorado House [Bill 1021](#). This bill enhances drivers' education for minors, in an effort to combat rising rates of car collisions and improve roadway safety. This marks a significant step towards creating safer roads for everyone.

DriveSafe emphasizes the importance of comprehensive driver education in fostering safer roads. Our curriculum prioritizes non-fear-based teaching methods, which works to empower drivers with skills, knowledge, and experience to confidently navigate the roads responsibly and conscientiously.

DriveSafe recognizes that the cost of driver's education might be prohibitive for some and we are committed to addressing these challenges. Our Be.Driving America online course offers affordable and flexible remote access, catering to rural populations. We also collaborate with various community organizations to leverage our driving services to accommodate many needs. Some of these projects include working with the Colorado Department of Human Services (SNAP), local trauma centers, youth experiencing homelessness, and foster care programs, among others, to ensure inclusive access to driver's education. We'll continue to expand these affiliations and programs to assist more Coloradans.

We extend our thanks to our partner, AAA Colorado, who continue to work with us as we seek to foster safer roads for everyone and empower learners to affect positive change.
