ISSA-LA is dedicated to supporting and advancing the knowledge and skills of information security professionals and practitioners. As a member-supported U.S. 501(c)(3) organization, your donation to ISSA-LA is tax-deductible. By participating in our events as a speaker or sponsor, companies not only contribute to the growth and development of the Cybersecurity and IT community, but also make a positive impact towards a safer and more secure digital world.

The Los Angeles Chapter is the founding chapter of ISSA International, with a primary goal of promoting management practices that ensure the availability, integrity, and confidentiality of information. Our chapter meets monthly at various venues around the Los Angeles region, providing our members with educational forums and peer interaction opportunities to enhance

their professional growth.

One of the highlights of the ISSA-LA annual events is the Security Summit, where hundreds of Information Security Leaders come together to network, learn, and share their experiences and solutions. Each year, nationally renowned speakers travel to Southern California to participate in this event, making it a truly global gathering of knowledge and expertise.

Any companies in the IT or Cybersecurity space are able to join the event as a sponsor and also as a speaker, while showcasing the company's solutions commitment to the industry.

To purchase tickets, sign up as a speaker, or become a sponsor for the CISO Forum and Security Summit, companies can reach out to: vendor.director@issala.org.
