vulnerability of living beings encapsulated in flowers' delicate yet resilient nature. This exhibition promises to be an immersive experience, transporting viewers into a world of art and beauty. And that's not all - the floor of the exhibition will be adorned with stunning flower decorations, adding an extra touch of elegance and enchantment. This is an event that art enthusiasts cannot afford to miss!

Kimin Kim's mastery in capturing the essence of flora is nothing short of extraordinary. His recent paintings and

drawings testify to his meticulous observation and artistic prowess. Each piece in "No Leaf Will Be Shaken" is a harmonious blend of complexity and simplicity. It reflects how flowers, though united in their collective existence, exhibit distinct characteristics on an individual scale. Kim's work compels viewers to appreciate the nuanced beauty of each petal, each leaf, and each stem, celebrating their individuality while acknowledging their contribution to the whole. The exhibition serves as a reminder of the interconnectedness of life, urging us to find beauty in unity and diversity.

The opening reception is set to be an unforgettable evening filled with awe and admiration for Kimin Kim's artistic genius. Space 776 has always been a beacon for innovative and thought-provoking art; this exhibition is no exception. The gallery will be transformed into a vibrant tapestry of colors and forms, inviting guests to immerse themselves in Kim's botanical wonderland. As you walk through the doors, prepare to be captivated by the sheer elegance and emotional depth of each artwork. It's a celebration of life, nature, and the delicate balance that sustains them both.

Curator Irene Gong has meticulously orchestrated this exhibition to highlight not only Kimin Kim's technical skill but also his philosophical musings on life and nature. Her keen eye for detail ensures that every piece is displayed to its fullest potential, creating an immersive experience that resonates with viewers on multiple levels. The collaboration between Kim and Gong is a match made in heaven, resulting in an exhibition that is both intellectually stimulating and visually enchanting.

So, gather your friends and head over to Space 776 on May 16th for an evening that promises to be an unforgettable celebration of art, beauty, and nature. "No Leaf Will Be Shaken" is not just an exhibition; it's an experience that will leave
