This Week's Special Guests: Eddie Misicka and Chris Kucharski of [OneRail](#)

On this week's episode of "The Supply & Demand Show," we're excited to welcome Eddie Misicka and Chris Kucharski from OneRail. They will be discussing the latest innovations in last mile omnichannel fulfillment,

particularly focusing on OneRail's newly launched Inventory Visibility solution.

In response to the pervasive problem of product shrinkage during transport, OneRail has introduced a cutting-edge Inventory Visibility solution within its OmniPoint® cloud-based platform. This solution aims to combat shrinkage, increase efficiencies, and provide real-time in-transit reporting to address the challenges faced by manufacturers and retailers.

They will also discuss the unique capabilities of OneRail's Inventory Visibility solution, including its ability to track orders down to the item level and offer comprehensive visibility throughout the supply chain.

Don't miss this informative discussion with Eddie Misicka and Chris Kucharski as they shed light on how OneRail's innovative solutions are reshaping last mile logistics and empowering businesses to meet their delivery promise.
