Familymoment Photography is a boutique studio dedicated to providing exceptional newborn photography services to families in the greater Houston area. As a mother herself of two beautiful girls, and with years of experience as an expert photographer with a deep understanding of the importance of these early moments, Sumitra and her team is committed to creating timeless, beautiful images that families will cherish for generations to come.

What Sets Familymoment Photography Apart

What sets Familymoment Photography apart from others is their unwavering dedication and service to the art of newborn photography. Their team has been professionally trained in newborn safety and posing, ensuring that every session is not only visually stunning but also

safe and comfortable for the baby and their family. With a keen eye for detail and a passion for storytelling, they capture the unique personality and charm of each newborn, making every session a truly magical experience. Sumitra and her team will go the extra mile to bring your vision to life.

The Studio Experience

Familymoment Photography's studio is designed with the comfort and safety of newborns in mind. The cozy, inviting space is carefully cleaned and sanitized to ensure a stress-free environment for both parents and baby. The studio is stocked with an extensive collection of props and accessories, allowing families to choose the perfect setting for their session. From soft, plush blankets to adorable wraps, outfits, hats and bonnets, every detail is carefully curated to create a unique and memorable experience.

Session Options and Packages

Familymoment Photography offers a range of session options and packages tailored to meet the needs of every family. From the "[Baby-only Session](#)" package to the "Full Newborn Session" packages, which include pictures of the entire family and print options, there's something for every budget and preference. Additionally, they offer a la carte options for prints, wall arts, and products, making it easy for families to create beautiful, personalized keepsakes. In addition to studio sessions, Familymoment Photography offers 'posed' and 'life-style newborn' sessions at client's home or at an outdoor location.
