LOS ANGELES , CALIFORNIA , USA, May 23, 2024 /EINPresswire.com/ -- The California Mesothelioma Victims Center is appealing to the family of a current or former neighborhood gas station mechanic who has just been diagnosed with mesothelioma anywhere in Southern California to please call Los Angeles based attorney Andy Waters of Waters & Kraus at 866-714-6466. Andy Waters is one of the nation's top mesothelioma attorneys, he and his remarkable team have been helping people like this for decades and they produce significant client compensation results.

"We know for a fact that a neighborhood gas station mechanic might have had as much exposure to asbestos on a daily basis as a plumber, navy veteran or shipyard worker if they were working at a gas station-garage before the mid-1980s. Before the mid-1980s auto-truck brakes, clutches, engine valve covers and transmissions all contained asbestos. Financial compensation for a person like this might be millions of dollars.

"If you are a current or former auto-truck mechanic who has just been diagnosed with mesothelioma anywhere in Southern California please call Los Angeles based attorney Andy Waters of Waters & Kraus at 866-714-6466. Andy Waters will know exactly how to get you the best compensation results." <https://WatersKraus.Com>
