Porter+Craig Film and Media, is excited to announce that they are distributing the enthralling Western/Horror film, "Silent Thunder."

BEVERLY HILLS, CALIFORNIA, UNITED STATES, May 18, 2024 /EINPresswire.com/ -- Porter+Craig Film and Media, the front-runner in film and television distribution, is excited to announce that they are distributing the enthralling Western/Horror film, "Silent Thunder."

Written and Directed by the talented, Isaac Medeiros, this gripping tale premiered at the Newport Beach Film Festival, and just had a packed Hollywood premiere on May 3rd at the historic Chinese Theatre, as a key feature of the prestigious Beverly Hills Film Festival.

Following these smashing successes on the festival circuit, "Silent Thunder" will now be premiering to the wider world this July -- with a multi-city and state theatrical release the starting July 19th, including a Hollywood premiere and Q&A with Director and Cast.

"Silent Thunder" follows the harrowing journey of U.S Marshal Spencer Sunday, played by veteran movie and TV star Ted McGinley (Apple TV's "Shrinking", "Revenge of the Nerds", "Married with Children"), who joins forces with two bank robbers in a daring mission to rescue five prostitutes who have been abducted by a gang of desert-dwelling, otherworldly monsters. Playing alongside McGinley, the film features an outstanding cast including Jack Lucarelli, Jonathan Stoddard, Laura James, Cassi Colvin, and Rich Turner, amongst others.

This thrilling film is further elevated by the meticulous cinematography and musical scores crafted by Medeiros and composer Miles Ito, respectively. "Silent Thunder" is far from just a film; it's a true expedition through intense emotions, gripping suspense, and heart-pounding action. Produced by Jack Lucarelli, Gigi Rice, Ted McGinley and Rich Turner, with Michael Lazari serving as Executive Producer, this film is a testament to the power of collaborative storytelling and
