Rose](#), and Afro Gospel super producer, [TBabz](#) (Tolulope Samuel Babajide) and co-producer, Gabriel "Glitzbeatz" Oredu.

## About the Song:

The name YHWH appears in the Hebrew Bible, where it is used to denote the God of Israel. In the biblical narrative, YHWH reveals himself to figures such as Moses, Abraham, and the prophets as the one true God, the

Creator of the universe, and the covenant God of Israel. The one true God, YHWH, is who we understand to be the one who is responsible for creation, and the one true God that came down in flesh to reconcile us to himself, as Yeshua Hamashiach (Jesus Christ). "YHWH" is a song that worships the one true God calling on Him for peace, protection, joy, and comfort. Nu Kreature invites listeners to worship and reflect on the goodness of God.

## Key Themes:

□ Divine Protection and Peace: "YHWH" expresses gratitude and reliance on God for providing peace and protection—finding solace and security in the Higher Power.

□ Faith and Trust: The song illustrates a deep-seated faith that sustains Nu Kreature through life's trials and tribulations.
