

Dr. Krishnan Suthanthiran, President/Founder of TBG and BCF, Receives Congressional Outstanding Asian American Award

WASHINGTON, D.C., U.S.A., May 20, 2024 /EINPresswire.com/ -- May is Asian/Pacific American Heritage Month—a celebration of Asians and Pacific Islanders in the United States. On Friday, May 17, 2024, Dr. [Krishnan Suthanthiran](#), President/Founder of [TeamBest Global Companies](#) (TBG) and [Best Cure Foundation](#) (BCF), was recognized as one of 15 Outstanding Asian Americans by the U.S. Rep. Jonathan Jackson. The ceremony took place at the Rayburn House building, where Jackson presented Suthanthiran with a special medallion and the Congressional Record-Proclamation. This proclamation will be officially recorded in the U.S. Congress archives. This is truly a once-in-a-lifetime opportunity.

Having spent over 52 years in global healthcare, Suthanthiran has witnessed the good, the bad, and the ugly sides of the industry. He is taking action by launching the BCF Global Healthcare Delivery System, which focuses on the BCF Total Health and Proactive Healthcare system. This system emphasizes prevention, early detection, effective treatment for Total Cure, and full transparency on clinical outcomes, benefits, and costs.

In 1992, Congress passed legislation designating May as Asian/Pacific American Heritage Month. The month of May was chosen to commemorate the immigration of the first Japanese to the United States on May 7, 1843, and to mark the anniversary of the transcontinental railroad on May 10, 1869. The majority of the workers who laid the tracks were Chinese immigrants.

Generations of Asians and Pacific Islanders have contributed to enriching America's history and will continue to play an instrumental role in its future success. May is a time to reflect on and
