/EINPresswire.com/ -- Introducing Two New Innovations from [COAST Cannabis Co.](https://www.coastcannabis.com): GoodNight Grape (Deep Sleep) and Peach (Relax) Gummies

COAST Cannabis Co., a leading name in the cannabis industry, is thrilled to unveil its latest offerings aimed at enhancing sleep quality and promoting relaxation. GoodNight Grape (Deep Sleep) and Peach (Relax) gummies are meticulously crafted using all-natural and organic ingredients, ensuring a premium experience for consumers seeking holistic wellness solutions.

GoodNight Grape: Dive into a Deep Sleep Naturally. GoodNight Grape is a pioneering addition to COAST Cannabis Co.'s product line, specially formulated to deliver a restful night's sleep using the power of nature. A first of its kind in Massachusetts, each gummy contains 25mg of CBN (Cannabinol) and 5mg of THC (Tetrahydrocannabinol), carefully balanced to induce a state of relaxation and tranquility, fostering a deep sleep. A recent clinical study* suggests that 25mg of CBN created a significant improvement in sleep, making GoodNight Grape (Deep Sleep), a natural alternative for those seeking sleep support without synthetic compounds.

Introducing GoodNight Grape, your ticket to a restful and rejuvenating night's sleep. Our juicy grape gummy is packed with 25mg of CBN and 5mg of THC, meticulously blended to deliver the perfect balance for a peaceful slumber.

Peach (Relax): Unwind with Subtle Tranquility. For moments when relaxation is paramount, COAST Cannabis Co. presents Peach (Relax) gummies, designed to provide a gentle yet effective calming experience. Infused with 20mg of CBD (Cannabidiol) and 1mg of THC (Tetrahydrocannabinol), these gummies offer a microdose of THC, allowing consumers to tailor their intake based on individual tolerance levels. Whether unwinding after a long day or seeking a moment of reprieve from daily stressors, Peach (Relax) gummies offer a serene escape.

Introducing our delectable Peach 20:1 CBD:THC Gummy - Each bite promises a balanced fusion of juicy peach flavor and the calming benefits of CBD. Relaxation awaits you.
