Here is a long note from one of the customers of Blue Elephant Thai Cuisine written on Yelp Reviews:

"DELICIOUS. Thai food with fresh ingredients and unapologetically authentic flavors. They do not try to dumb down the flavors here. Everything is cooked as authentically as it gets. How do I know? I came here three times in three days while in the area for work. Every time I came, I saw a lot of Asians customers and some were ordering in Thai. I got the papaya salad every time I came and it was delicious. I also tried the Tom yum soup, Tom kha soup, larb salad, blue elephant cha cha (fried fish filets), and naked shrimp appetizers. Every dish came out very good and fresh. Vegetables were crispy, fish was fresh and soups were steaming hot. I'd come here again the next time I am in town for work.

A bit of a warning: if you cannot take strong flavors or spice-make sure to tell the server when ordering." said Gee P.

Yellow curry, red curry, green curry, panang curry, blue elephant cha cha, thai mongolian beef, orange chicken, spicy garlic shrimp, prik king, fresh ginger, cashew nut, spicy eggplant, spicy basil, chu-chee salmon, tom yum, wonton soup, orange mock chicken, pad thai, pad see-ew, blue elephant fried rice, crab cake, & calamari de Thai are some of the exclusive Thai dishes one can taste at Blue Elephant Thai Cuisine.
