

Lydonia Technologies Named Innovation Partner of the Year by Alteryx

WESTWOOD, MASSACHUSETTS, UNITED STATES, May 21, 2024 /EINPresswire.com/ -- Lydonia Technologies proudly announces that it has been honored as [Alteryx's](#) Innovation Partner of the Year at the 2024 Inspire User Conference in Las Vegas, NV. The award celebrates the exceptional achievements of partners in the Alteryx community.

"Our recognition as the Innovation Partner of the Year is a testament to our unwavering commitment to delivering cutting-edge customer solutions," said Kevin Scannell, Founder and CEO of Lydonia Technologies. "Our strong partnership with Alteryx has been pivotal in helping businesses transform the way they operate through AI-powered automation, data, analytics, and security. This collaboration has driven our rapid growth and success, enabling us to set new benchmarks in innovation and customer satisfaction."

Over the past year, Lydonia Technologies has developed 29 industry solution blueprints for analytics, demonstrating its expertise and commitment to providing valuable insights to customers.

"By leveraging our solutions blueprints, customers can effortlessly turn data-driven insights into tangible success," said Ed Walsh, Chief Data Officer of Lydonia Technologies. "Our joint customers with Alteryx are experiencing significant positive business outcomes through AI-powered data and analytics. These blueprints simplify the complex process of analytics, enabling our clients to achieve remarkable improvements in efficiency, decision-making, and overall business performance."

The [2024 Partner of the Year awards](#) highlight organizations that have made significant contributions to the success of their customers through innovative use of data and analytics. Lydonia Technologies' efforts to empower businesses worldwide with advanced analytics

solutions have been instrumental in driving business growth and uncovering crucial insights.

About Lydonia Technologies
