Cancer Off event and inspire participation.

Why Cover This Event:

- Gain exclusive insights into the involvement of Harry Carson and other Hall of Famers in the fight against cancer, offering a unique angle for sports programming.
- Highlight the intersection of sports, health, and philanthropy, showcasing the impact athletes can have beyond the field.
- Provide your audience with content that resonates with sports enthusiasts and those eager to help end cancer once and for all.

About The Samuel Waxman Cancer Research Foundation:

The Samuel Waxman Cancer Research Foundation is an international organization dedicated to curing and preventing cancer. The Foundation is a pioneer in cancer research and its mission is to eradicate cancer by funding cutting-edge research that identifies and corrects abnormal gene function that causes cancer and develops minimally toxic treatments for patients. Through the Foundation's collaborative group of world-class scientists, the Institute Without Walls, investigators share information and tools to speed the pace of cancer research. Since its inception in 1976, the Samuel Waxman Cancer Research Foundation has awarded more than \$120 million to support the work of more than 200 researchers across the globe.
