[Group](#) (CSG), a premier janitorial and managed hospitality staffing provider, has partnered with DailyPay, a worktech company and leading provider of [earned wage access](#) (EWA).

With the busy summer travel season approaching, CSG is looking to leverage DailyPay to gain a competitive advantage in hiring and retaining team members. According to a Hanover Research Study (September 2023), 93% of hospitality companies offering an EWA solution today believe it has a positive impact on employee

recruiting and 94% believe it has a positive impact on employee retention.

"At CSG our people are our biggest asset. Because their job satisfaction is important to us and our clients, CSG offers great benefits such as DailyPay," said JD Shafer, Executive Vice President, CSG.

Headquartered in Brea, California, CSG provides its services to a portfolio of high-profile properties across the United States. This partnership comes as CSG aims to provide meaningful and impactful financial wellness benefits to all its employees.

By leveraging DailyPay's earned wage access solution, all CSG employees are empowered with choice and control over their earned pay so they can pay bills, spend, invest, and save on their own schedules. This flexibility and the ability to track their earnings in real time enables them to make the best financial decisions for their households.
