Strong Testimonials!

Cory is a superstar, said J.G., one of his recent clients. Here is what he elaborates,

“Cory is a superstar when it comes to handling the legal matters that we need to resolve. We were with another lawyer who strung us along for months instead of actually resolving the matter quickly. I learned more about our options and potential resolutions on a free 30 minute phone call than I had in the previous 8 months with my other supposed lawyer! Apparently, you really do get what you pay for and Cory was well worth every penny. His commitment to get us a resolution was fantastic. He followed up and followed through on all communications with me were on his cell phone or email. He was approachable and didn't try to talk down to me with any crazy legal jargon! Again, thank you Thank you Thank you!” exclaimed J.G.

Cory Wilson is an expert in handling breach of probation, immediate roadside sanctions, dui/impaired driving, fraud, kidnapping, obstruct, murder, manslaughter, domestic assault, assault, firearm, drug and driving offences, obstructing a peace officer, break and enter, robbery, fraud, possession, trafficking, drug importation & manufacturing. He is also available for a free complimentary consultation to have a chat and know about his expertise and discuss the allegations, possible outcomes, defences to the charges and legal fees.
