Tao to Wellness

Located in the vibrant heart of Berkeley, Tao to Wellness has long been renowned for its excellence in acupuncture. Building on its foundation of expertise in acupuncture, the center has further enhanced its services to incorporate additional modalities of traditional Chinese medicine (TCM), including Chinese herbal medicine and cupping therapy.

Chinese herbal medicine, a cornerstone of TCM, harnesses the healing power of nature to address a wide range of health concerns. At Tao to Wellness, clients have access to a comprehensive selection of Chinese herbs carefully selected and formulated by experienced herbalists to suit individual needs and promote optimal health and well-being. Whether seeking relief from chronic pain, digestive issues, or emotional imbalances, clients can benefit from personalized herbal remedies tailored to their unique constitution.

In addition to Chinese herbal medicine, Tao to Wellness also offers cupping therapy, an ancient practice with roots in TCM. Cupping therapy involves the application of suction cups to the skin, creating a vacuum effect that helps stimulate circulation, release muscle tension, and promote detoxification. This gentle yet effective therapy can be used to address a variety of conditions, including musculoskeletal pain, respiratory issues, and stress-related tension.

"As a complementary health center, our mission at Tao to Wellness is to provide comprehensive

care that addresses the body, mind, and spirit," says Christina Martin, Founder of Tao to Wellness. "With the addition of traditional Chinese medicine modalities such as Chinese herbal medicine and cupping therapy to our services, we are excited to offer our clients even more options for natural, effective healing."

Located conveniently in Berkeley, Tao to Wellness serves as a trusted resource for those seeking complementary health solutions in the Bay Area. The center's team of experienced practitioners is dedicated to providing compassionate care and personalized treatment plans tailored to each individual's needs and goals.

Whether you're seeking acupuncture, interested in trying traditional Chinese medicine modalities, or simply looking to enhance your overall well-being, Tao to Wellness invites you to experience the benefits of TCM firsthand. With a focus on promoting wellness and vitality, Tao to Wellness is committed to helping clients achieve optimal health and well-being naturally.
