

Verdantis Appoints Kumar Gaurav Gupta as Chief Executive Officer

PRINCETON, NEW JERSEY, UNITED STATES OF AMERICA, May 22, 2024 /EINPresswire.com/ -- Verdantis, a pioneering leader in [AI-powered data solutions](#), proudly announces the appointment of Kumar Gaurav Gupta as its new Chief Executive Officer (CEO). Taking on the role of CEO he shoulders the responsibility of propelling growth, with a sharp focus on ensuring global customer success.

Excited about his new role, Kumar stated, "It's a great honor to lead this data platform & services company at such an exciting time. Given the growing importance of data and the emergence of Artificial Intelligence, I am confident Verdantis is poised to empower our customers in making data-driven ROI decisions. I am grateful to the Verdantis team for their trust and consideration."

Before Verdantis, he held various roles including VP & Country Manager for the Indian subcontinent at SAP Concur and served as a business consultant advising customers on strategic priorities. Kumar holds a bachelor's degree from Delhi College of Engineering and a master's degree from the Indian Institute of Management, Indore.

Kumar will be instrumental in shaping Verdantis' strategic direction, fostering innovation, and driving the company's continued success in delivering cutting-edge data management solutions to clients worldwide.

Verdantis
