

# Dubai Unveils World's First Royale Rover - A 24K Gold Segway with Stunning Diamonds

DUBAI, DUBAI, UNITED ARAB EMIRATES, May 22, 2024

/EINPresswire.com/ -- Dubai, UAE - Leronza, a pioneer in luxury customization is delighted to unveil its latest masterpiece yet again after their huge launch of Gold Bike in 2017.

Handcrafted to perfection, the [24K Gold Segway](#) with Simulated Diamonds is a true work of art. Each component of this exceptional Segway is meticulously adorned with 10,224 high-quality simulated diamonds, painstakingly set piece-by-piece onto its bar, fork, and side deck. This extraordinary creation sets a new standard in opulence and innovation, combining unparalleled craftsmanship with cutting-edge technology.

What sets the 24K Gold Segway apart is not just its stunning aesthetics, but also its remarkable performance

capabilities. Equipped with a powerful 300W motor, this Segway effortlessly glides across various terrains with ease. Its advanced design allows it to tackle inclines of up to 15 degrees, providing riders with unmatched versatility and control.

But the luxury and performance of the 24K Gold Segway extend beyond its appearance and capabilities. It is also designed to offer unparalleled comfort and support, with a maximum load capacity of 100kg (15.5st). Whether you're navigating city streets or exploring rugged landscapes, this Segway ensures a smooth and enjoyable ride every time.

The creation of the 24K Gold Segway was a labor of love, taking an impressive seven months to
