Key Topics:

The current landscape of media and public opinion
Challenges with media consolidation and social media impacts
The influence of public opinion polling

How epeik's features address these challenges

Key Quotes from Kevin Kiepe:

"Today, I am thrilled to announce that membership registration is now open for epeik. Our journey to launch epeik has been long and humbling, carrying considerable responsibility to get the character, culture, and experience just right. We are unveiling a vision that has the potential to be truly relevant to people everywhere who want to speak, be heard, and impact the direction of their society."

"Research shows that many Australians feel their influence ends at the ballot box and that they are being ignored and excluded from big discussions. This sentiment is echoed in other countries. epeik aims to address these concerns by providing a platform where all voices can be heard and respected."

epeik's Vision and Mission:

Vision: "The epeik vision is that the people can, and will, more directly influence the direction of society and in doing so discover their unity of purpose. United by shared values, respectful freedom, transparency, and common purpose, society will evolve from political divisiveness to a state where individuals are empowered to drive societal change, fostering a decentralized self-governing community focused on solving problems impacting cooperation and peace for the benefit of all."

Mission: "Our mission at epeik is to capture The People's Vision and fulfill the promise of democracy by empowering the people's voices to drive the daily narrative and directly impact societal discussions and decisions. We are committed to establishing 'The People's Vision' as the most respected, inclusive, authentic, and influential voice representing the people in societal discourse and decision-making."

epeik's Core Features:

Verified real members to ensure authenticity
A culture of respectful freedom of speech
Comprehensive and unbiased content presentation
Privacy-focused, free from surveillance advertising
Local focus with national reach
