/EINPresswire.com/ -- Most Christian books nowadays, written by pastors and evangelists talk about eternal life through biblical and theoretical perspectives. But how does eternal life and the search for truth appear from the point-of-view of an ordinary man?

At the heart of "I'm Just a Fork-lift Operator. After All, What Do I Know?: Searching for the Truth Finding the Narrow Path to Eternal Life" by [Joseph Traver](#), the narrative lies in Matthew 7:14, where Jesus articulates the difficult nature of the journey towards

eternal life. Traver skillfully connects together personal anecdotes and biblical insights to guide readers along this narrow path. Drawing inspiration from his own experiences and conversations with fellow Christians, including his friend Forrest Habicht, Traver imparts wisdom gleaned from a life dedicated to following Jesus.
