

Blackhawk Claims Service Introduces Blackhawk Performance: A Revolutionary Health Plan Solution for Texas Employers

IRVING, TX, UNITED STATES, May 22, 2024 /EINPresswire.com/ -- Blackhawk Claims Service proudly announces the launch of its groundbreaking health plan solution, Blackhawk Performance. Designed to offer exceptional healthcare access and significant cost savings, this innovative offering is available for Texas-based employers at as small as 10 employee lives.

"Our new product provides significant advantages for local Texas employers," said David Roosa, Chief Growth Officer at Blackhawk Claims Service. "By leveraging a high-performance network in Texas partnered with the state's premier health systems, we provide state and national PPO network wraps, incorporating all healthcare systems and eliminating the use of Reference-Based Pricing (RBP). This configuration is the first of its kind."

Comprehensive and Cost-Effective Healthcare

Blackhawk Performance stands out for its inclusive and cost-effective approach. Unlike other plans that often exclude or impose higher costs on non-preferred systems, Blackhawk Performance ensures full access to all systems. Employees benefit from waived copays and deductibles when using the EHN network, incentivizing high-quality care with financial benefits.

Key Features and Benefits

- **Comprehensive Access:** No exclusions of any health systems, ensuring complete access for employees.
- **Cost Savings:** Up to 75% discounts in major Texas cities and premiums 10–15% below BUCA PPO rates.

We are excited to offer a solution that delivers Whole Foods quality with Walmart savings,"
