AWAJI CITY, HYOGO PREFECTURE, JAPAN, May 23, 2024 /EINPresswire.com/ -- The highly popular attraction "Crayon Shinchan Adventure Park" at Hyogo Prefecture's Awaji Island Park, Nijigen no Mori, will host a special event, 'Crayon Shinchan Adventure Park Rainforest,' from May 10 (Fri) to June 30 (Sun). During this season, rain and mist envelop the entire Nijigen no Mori, allowing visitors to enjoy the world of "Crayon Shinchan" in a fantastical forest setting.

In the first edition of this event, on rainy days, we will be giving away raincoats with exclusive "Crayon Shinchan Adventure Park" stickers so you can fully enjoy the activities and zip lines, even in the rain. Wear these cute sticker-adorned raincoats and have a blast on the thrilling attractions that become even more exciting in the rain, such as the activity course "Appare! Sengoku Daibouken!(The Fierceness That Invites Storm! The Battle of the Warring States)" with its four different height courses and the "Challenge!
