

Skin Tightening, Botox and Lip Fillers by Skinsation LA Launches New Injectable Skinivive at Their Los Angeles Office

Los Angeles, CA – Skin Tightening, Botox and Lip Fillers by Skinsation LA, a leading medical spa with top reviews on Yelp, is excited to announce the launch of its new injectable Skinivive. This unique hyaluronic acid booster is carefully injected into the skin in minute quantities, aiming to enhance the skin's smoothness, firmness, hydration, and radiance.

The new injectable by Skin Tightening, Botox and Lip Fillers by Skinsation LA is unlike conventional dermal fillers with a gel-like consistency as Skinivive possesses a more aqueous nature, making it highly effective in addressing a wide range of common skin concerns, such as fine lines, collagen depletion, mild laxity, and overall skin texture improvement. The FDA-Approved liquid filler facial is compatible with all skin types and requires minimal downtime while providing results for a substantial 6 to 9 months.

“At SkinsationLA, we believe in the importance of normalizing flaws and treating them instead of hiding behind makeup and filters,” said a spokesperson for Skin Tightening, Botox and Lip Fillers by Skinsation LA. “Healthy skin is not only a reflection of a healthy body but also a healthy mind and self-esteem. When you look and feel confident, you can do anything.”

As featured on Realself, Skin Tightening, Botox and Lip Fillers by Skinsation LA has become renowned within its local community for its commitment to creating a professional yet fun environment where clients feel comfortable and less nervous about getting medical treatments. The top LA med spa comprises a team of licensed nurses, aestheticians, and doctors with over 30 years of combined experience in aesthetics and offers a variety of specialist treatments using the latest innovations and techniques available. Some of these treatments include:

Morpheus8: Utilizing tiny micro-needles that carry radiofrequency energy deeper than any fractional treatments currently available on the market, Morpheus8 is cutting-edge technology that rejuvenates the skin by increasing collagen production, empowering clients to maintain a youthful appearance.

Facials: Rated 5-stars on Classpass, Skin Tightening, Botox and Lip Fillers by Skinsation LA's range of multi-step facials provide clients with effective cleansing, exfoliation, and nourishment for their skin to promote a clear, well-hydrated complexion that can help their skin look younger.

Injectables and Lip Fillers: Skin Tightening, Botox and Lip Fillers by Skinsation LA offer some of the most popular injectable fillers including the Juvéderm family (such as Juvéderm XC, Volbella, and Voluma), the Restylane family (like Kysse, Lyft, and Defyne), RHA fillers and Revanesse Versa and toxins, such as Botox and Dysport
