ATLANTA, GEORGIA, USA, May 24, 2024

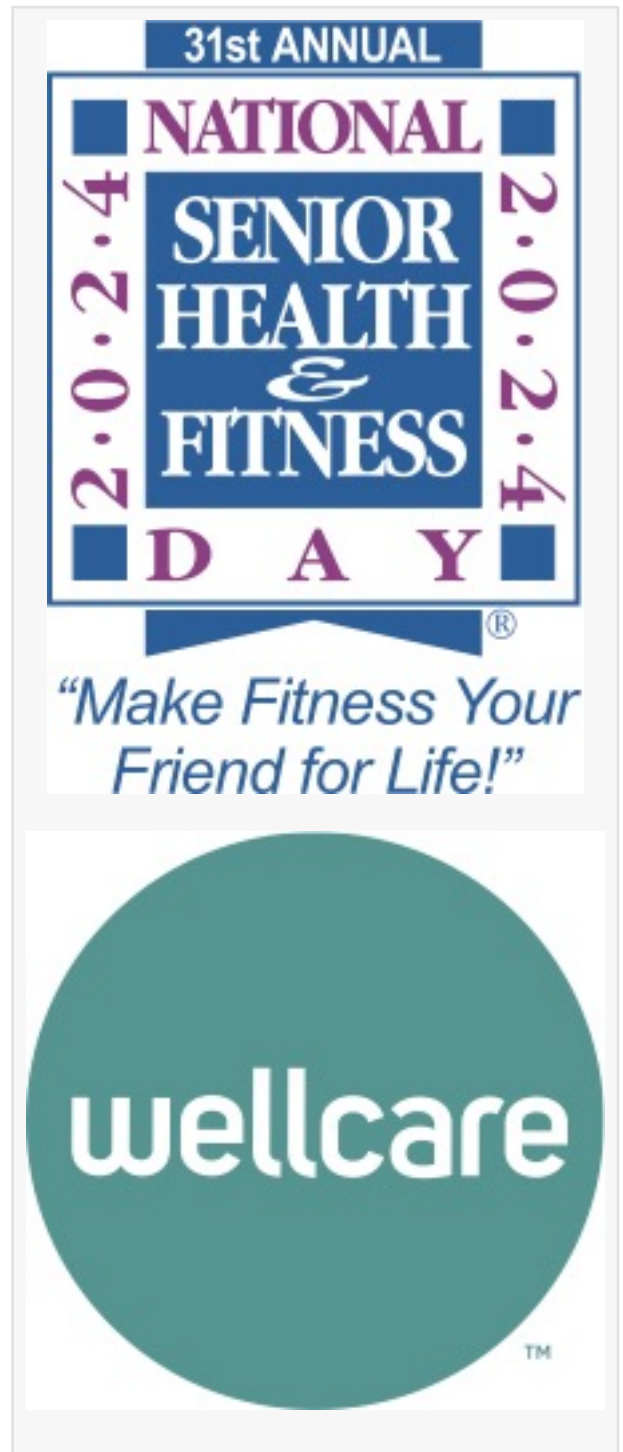

[/EINPresswire.com/](https://EINPresswire.com/) -- In celebration of the 31st annual [National Senior Health & Fitness Day](#)[®] on Wednesday, May 29, older adults in Georgia will join more than 100,000 seniors participating in health and wellness events at more than 1,000 locations across the country.

National Senior Health & Fitness Day aims to promote the importance of regular physical activity for seniors, and to showcase what local organizations are doing in their communities to help improve the health of older adults.

Throughout Georgia, National Senior Health & Fitness Day will be celebrated at senior centers, retirement communities, Ys and health clubs, park and recreation districts, hospitals and health systems, houses of worship and local aging organizations. Events at these locations, made possible in part through the support of the 2024 Georgia state event sponsor, Wellcare, will include health fairs, fitness walks, exercise demonstrations, health screenings and presentations by health and fitness experts.

“National Senior Health & Fitness Day is the nation’s largest older adult health promotion event,” said Patricia Henze, executive director of the program. “We are pleased to be working in Georgia with Wellcare
