

# Zone·ify Presents WWII Collection to Honor Those Who Served

TOLEDO, OHIO, UNITED STATES, May 24, 2024 /EINPresswire.com/ -- As we honor those who gave their lives serving our country this Memorial Day and celebrate the 80th anniversary of D-Day and the Battle of Normandy during WWII, zone·ify is proud to offer a host of special content. The combination of feature films, documentaries and short-form content offers something for everyone who has an interest in the learning more about the horrors of WWII and the heroes throughout history who have laid down their lives for the United States of America.

“As we honor all who have died serving our great nation and mark 80 years since that momentous June day, I hope that this content serves as a reminder that freedom is not free and an education for those too young to remember how precarious and precious freedom can be,” said zone·tv CEO Jeff Weber.

“

This diverse collection of stories speaks to the myriad impacts that WWII had on 20th Century history, from the suffering of the Jews to the bravery of nurses in wartime and beyond”
