Clients have praised Fame Tattoos for their exceptional service and friendly environment and praised the service they received at Fame Tattoos:

"I only got a tooth gem from them, but my experience couldn't have been any better! Everyone

there was extremely chill and friendly. Great environment to go to when getting something as intimidating as a tattoo or piercing! Will 100% go back," said Alexiah Williams.

"Jill was very attentive in the process of my tooth gems and recognized I was willing to pay for solid work. She later on told me that she takes her time with each and every customer to give them quality service and proper work as long as the customer allows it. Very respectful and nice, clearly a passion for what she does. Great shop, respectful engaging environment, the whole team seems to know what they're doing so it will always be quality work," said Jose Radillo.

"Great shop and very professional. Was able to schedule the design appointment and the process was smooth and straightforward. Everyone in the shop is nice and communicative," added Daniel Gonzalez.
