LOS ANGELES, CA - CALIFORNIA, UNITED STATES, May 25, 2024 /EINPresswire.com/ -- The [Amalfi Foundation](#), which serves as the philanthropic arm of [Amalfi Jets](#) Inc., a leading global jet charter provider, raised \$172,691 at its Student Leadership Accelerator (SLA) Grand Finale Gala.

On May 18th, the Amalfi Foundation, a 501(c)(3) nonprofit, celebrated the culmination of its Spring SLA program at the London Hotel in West Hollywood. At the event, it was revealed that student teams in total raised over \$170,000 over the three-month program. These funds will go directly toward the Amalfi Foundation's global initiatives, such as aiding unhoused individuals in Los Angeles County and building a primary school in Tanzania, Africa.

"We are immensely proud of all our students' hard work and dedication to the program," Foundation President [Kolin Jones](#) said. "It is amazing to see them give back to their community while also bolstering their leadership skills."

Winners of the Spring SLA program were awarded scholarships ranging from \$2,500-\$10,000 for their college pursuits. The Amalfi Foundation hopes that the experiences students have in the program provide a meaningful stepping-stone into further charitable and educational endeavors.

SLA students' achievements were celebrated throughout the night

"We are delighted to welcome a new class in the summer and see their growth over the course of the program," Jones said. The Summer SLA Program represents Amalfi's 4th iteration of the program.

Coming off the major success of the Spring Program, the Amalfi Foundation also announced that they launched the Summer SLA program, which will run from June until mid-October.

The Amalfi Foundation was established in 2022 by Amalfi Jets Founders Jones, and Calvin Yoon, and has since served as the company's charitable branch supporting initiatives both locally and internationally.
