MINNEAPOLIS , MINNESOTA , USA, May 28, 2024

/EINPresswire.com/ -- According to the Minnesota Mesothelioma Victims Center, "If your husband or dad is a current or former paper mill worker who has just been diagnosed with mesothelioma anywhere in Minnesota rather than playing lawyer roulette, please call attorney Erik Karst of Karst von Oiste at 866-714-6466 to discuss compensation. Erik Karst is Minnesota's best known mesothelioma attorney, and he produces the best possible financial compensation results for his clients. Erik Karst and the lawyers at the law firm of Karst von Oiste have been assisting paper mill workers with mesothelioma for decades.

"Paper mills historically were loaded with asbestos to reduce the possibility of a fire in Minnesota, and nationwide. When we say loaded with asbestos we mean the buildings, the machinery, the equipment-the works-especially before the early 1980s. The types of workers who might have been exposed to asbestos at a paper mill include production workers, millwrights, electricians, mechanics, laborers, and managers.
