LOS ANGELES , CALIFORNIA , USA, May 30, 2024 /EINPresswire.com/ -- The California Mesothelioma Victims Center is urging a Navy Veteran with recently diagnosed mesothelioma anywhere in California or their family to call Los Angeles based attorney Andy Waters of Waters & Kraus at 866-714-6466-especially if they served on an aircraft carrier. Andy Waters is one of the nation's top mesothelioma attorneys and his colleagues at Waters & Kraus have decades worth of experience assisting Navy Veterans who have developed mesothelioma.

The group says, "What makes aircraft carriers unique when it comes to asbestos exposure is shipbuilders loaded these types of ships with asbestos-everywhere to prevent fires from spreading. We have talked with Navy Veterans over the years who have described being covered with snow when they would wake at a shipyard on their aircraft carrier-while it was undergoing repairs. The problem-it was not snow-it was asbestos.

"If your husband or dad is a Navy Aircraft Carrier Veteran and he has just been diagnosed with mesothelioma anywhere in California please call Los Angeles based attorney Andy Waters of Waters & Kraus at 866-714-6466. Hire the most qualified mesothelioma attorney-get the best
