The group says, "Most Navy Veterans who develop mesothelioma or asbestos exposure lung cancer had their primary exposure to asbestos on a navy ship, submarine or at a shipyard. As part of a sailor's routine duties, they may have had regular exposure to asbestos-especially if they worked in an engine room-propulsion, in a machine shop or as a member of a repair crew.

"Before a Navy Veteran who now has mesothelioma or asbestos exposure lung cancer in Florida hires a law firm to assist with compensation-please call The Gori Law Firm anytime at 866-532-2106. We are certain they will be glad they did." www.gorilaw.com

Suggestions from the Florida for people with mesothelioma in Florida or nationwide on how to increase potential financial compensation:

* "Do you recall the specifics of how you were exposed to asbestos at work, in the military or both-and when this exposure occurred? This is incredibly important information.

* "Do you recall the names of coworkers who might have witnessed your exposure to asbestos?"
