HOLLYWOOD, CA, UNITED STATES, May

[ONE Alive!](#)", the title of [W.A.S.P.](#)'s upcoming North American Tour. August 17, 2024, marks the 40th anniversary of the release of W.A.S.P.'s first album. “

It was an angry record made by an angry band. It was a record that not only reflected the attitude of the band members who made it, but also a record that reflected its time.”

Blackie Lawless

Formed in 1982, W.A.S.P. is set to bring this universally acclaimed “classic” album to life. Lead vocalist [Blackie Lawless](#) says, “It was an angry record made by an angry band. It was a record that not only reflected the attitude of the band members who made it, but also a record that reflected its time.” This record became a central piece of the 80s metal scene and remains one of the best metal debut albums of all time.

Along with bassist Mike Duda and lead guitarist Doug Blair, whose tenures in the band are 29 and 26 years respectively, W.A.S.P. is joined by long-time drummer extraordinaire Aquiles Priester.

Lawless and company will deliver the ultimate incredible spectacle, bringing W.A.S.P.'s most colorful history to life by performing this revered album in its entirety... ONE more time... ONE last time... Album ONE Alive!
