

SmilePath Expands Product Line to Include Mouth Guards, Night Guards, and Retainers

Affordable, High-Quality Oral Care Solutions Now Available for Australians

NEWINGTON, NSW, AUSTRALIA, May 27, 2024 /EINPresswire.com/ -- SmilePath, the leading at-home clear aligner brand, announces the expansion of its product line to include a variety of essential oral care solutions. This new range features mouthguards, nightguards, and retainers designed to provide top-tier dental protection and maintenance at competitive prices. The new offerings include:

[Dental Retainers](#)

Priced at \$199, SmilePath's retainers help maintain the perfect smile achieved with their aligners, ensuring teeth stay in place and healthy.

[Mouth Guards](#)

Available for just \$190, these mouthguards offer superior protection for sports and other activities, safeguarding against dental injuries.

[Night Guards](#)

SmilePath introduces soft night guards for \$195, ideal for mild teeth grinding, and hard night guards, also at \$195, for those who need a more durable solution. The hybrid night guard is available for just \$215, combining soft

and hard materials for optimal comfort and protection.

With this new product line, SmilePath continues its commitment to providing accessible, high-quality dental care products that cater to the diverse needs of Australians. Whether for sports, night-time grinding, or post-aligner care, SmilePath's new mouthguards, night guards, and retainers offer reliable solutions at affordable prices.

Recent studies show that more than 40% of Australians grind or clench their teeth during sleeping. This might lead to dental concerns including damaged enamel and jaw discomfort. Furthermore, oral injuries from sports make for a large proportion of emergency department visits each year.

Their economical yet high-quality mouthguards and night guards can decrease tooth injuries and improve teeth-grinding symptoms for Australians around the country.
