

FREESTYLE DIGITAL MEDIA RELEASES SCI-FI THRILLER MOVIE “RANI RANI RANI”

Female-Driven South Asian Sci-Fi Thriller Debuts on North American VOD Platforms and DVD today, May 28, 2024

LOS ANGELES, CALIFORNIA, UNITED STATES, May 28, 2024 /EINPresswire.com/ -- Freestyle Digital Media, the digital film distribution division of Byron Allen’s Allen Media Group, has just released

“

RANI RANI RANI is the result of a brilliant cast and a talented crew. We are proud of how it turned out, and we hope the viewers will truly enjoy this time-travel thriller.”

Filmmaker Rajaram Rajendran

the female-driven sci-fi thriller feature RANI RANI RANI, now available to rent/own on all North American digital HD internet, cable, and satellite platforms, as well as on DVD, starting on May 28, 2024.

Sidestepping mystical and spiritual influences while reveling in a science fiction world, RANI RANI RANI follows Rani, the caretaker at an abandoned factory, in an almost-abandoned Indian village. It's just an ordinary day for Rani -- trapped in a struggle for survival between a feckless husband on one hand, and her husband’s brother and ruthless sister-in-law on the other. But when Rani happens

upon a group of opportunists seeking to prove the efficacy of their mysteriously-acquired mechanical device to a potential buyer, her fortunes seem set to change. All these opportunists are looking for is a volunteer, a test subject, and for a small sum of cash Rani is lured into their machine. While Rani emerges seemingly unscathed, a violent turn of events makes her realize that changing the trajectory of her life might just be a matter of a second chance, or a third, or maybe just a little more time.

Written, directed, and produced by Rajaram Rajendran, RANI RANI RANI features an ensemble cast that includes Tannishtha Chatterjee (‘Rani’), Asif Basra (‘Manoj’), Danny Sura (‘Chris’), Alexx O’Neill (‘John’), and Abid Anwar (‘Krishna’).

“RANI RANI RANI is the result of a brilliant cast and a talented crew putting their faith into a genre that’s not the most popular in South Asia, says filmmaker Rajaram Rajendran “We’re proud of how it turned out, having overcome the restrictions and limitations of an indie film. We hope the viewers truly enjoy this time-travel thriller.”

Freestyle Digital Media negotiated the deal to acquire RANI RANI RANI directly with Ryan Bury of

MPX-Motion Picture Exchange.
