

Nissan Skyline GT-R (BNR34) Wet Wipe Case officially licensed by Nissan Launches for Global Online Sales

CAMSHOP.JP, a Japanese novelty brand, has begun international shipping for its Nissan Skyline GT-R (BNR34) model wet wipe case via the official website.

HAKUSAN, ISHIKAWA PREF, JAPAN, May 29, 2024 /EINPresswire.com/ -- "Unparalleled Quality and Unique Concept"

The allure of the Nissan Skyline GT-R (BNR34) wet wipe case lies not only in its novel concept but also in its exceptional craftsmanship. Developed over a year and licensed by Nissan, this case is a miniature marvel at 1/16 scale, mimicking a real car with meticulous detail so precise that it's hard to believe it's a wet wipe case.

When moved across a table, the tires roll, revealing the GT-R logo and brake calipers through the wheels.

The product is available in four colors: Blue, Silver, a limited-edition Black, and the newly introduced Purple (available for pre-order).

"Exceptional Sales Performance at Narita Airport"

Sales at Narita Airport (Japan) have significantly surpassed manufacturer forecasts. Since its launch in winter 2023, this product has shown popularity beyond expectations, with an overwhelming response particularly at Narita Airport. The success here demonstrates the global popularity of the GT-R and the uniqueness of the product.

"Why the Skyline GT-R (BNR34)?"

The Nissan Skyline GT-R (BNR34) captivates numerous fans with its unique appearance and strong presence, and continues to be highly popular even after the end of its production. The former model, the Skyline GT-R (BNR34), boasts an extensive history of success in numerous races, achieving outstanding results not only in Japan but also on the international motorsports scene. Featured in movies, it is globally renowned and holds significant cultural influence.

"Global Purchasing Options"

The "World Shopping" feature on CAMSHOP.JP's official site allows customers from 228 countries to purchase this product online.
