

Carvant Financial Teams Up with Signzy to Streamline Their Auto Lending Experience

NEW YORK, UNITED STATES, May 31, 2024 /EINPresswire.com/ -- [Carvant Financial](#), a pioneering credit financing company, and [Signzy](#), an innovative AI-powered digital onboarding platform, are delighted to announce their strategic partnership. The partnership aims to craft a seamlessly enhanced user onboarding experience.

Signzy is providing Carvant access to essential bank data to make informed decisions on loans and reduce fraud risk – resulting in a faster, streamlined loan financing experience. Besides this, Signzy also allows bank accounts to be linked in seconds for repayments. Signzy's Bank Account Verification service provides a single endpoint for customisation based on country-specific requirements. Regardless of the chosen flow, the solution ensures efficient verification of global bank accounts.

“

This collaboration with Carvant Financial is a testament to our commitment to leveraging technology to create value for the global fintech industry.”

Ankit Ratan

Jeff Cohen CEO of Carvant, “We are excited to partner with Signzy to transform the auto financing experience. With Signzy's bank account verification solution, we can offer our customers a more streamlined and secure process, making it quicker and easier for them to secure financing—even with less than perfect credit. This partnership is a crucial step in our mission to empower consumers and enhance the auto finance market.”

This collaboration is going to starkly reduce the processing time for loan approvals and user onboarding. Hence,

ultimately elevating the user experience for both the loan providers and borrowers.

Ankit Ratan, CEO of Signzy “By providing Carvant Financial with sophisticated tools for bank data

access and fraud reduction, we are setting a new standard in the ease and safety of auto financing."

About Carvant Financial

Since 2010, Carvant Financial has provided financing for consumers that have less than perfect credit. The programs are designed to give individuals with the ability and the willingness to pay the opportunity to purchase a reliable vehicle, and to improve their credit and future prospects. Carvant's mission is to become a leader in the auto finance market by offering approval based programs that are win-win for the customers and dealers. Their customers are given the opportunity to finance a reliable vehicle and rebuild their credit while the dealers are able to sell more vehicles, profitably.
