About INTRUSIVE

INTRUSIVE follows Darrius, a man entangled in a web of desire and secrecy. When he succumbs to temptation with his wife's friend Princess, the consequences unfold unexpectedly. As Darrius wrestles with guilt, loyalty, and the complexities of protecting his relationship, he is forced to confront the dilemmas that arise from a single night of passion. Princess becomes increasingly obsessed with him, determined to sabotage the marriage and make Darrius hers. Darrius must navigate this dangerous situation and decide whether to come clean to Michelle or keep Princess a secret and risk losing his wife forever.

## About New Hollywood Cinema

Reed/King Entertainment is an independent film company dedicated to producing compelling urban films and psychological thrillers that captivate audiences. Directors AK Reed and Dyece King started the company with a bold vision to create thought-provoking stories that explore the complexities of human nature within urban settings. Their films delve deep into the details of city life, portraying a diverse set of characters that resonate with authenticity. Specializing in crime dramas and psychological thrillers, they thrive on crafting suspenseful stories that keep viewers on the edge of their seats. Their films explore the darker corners of the human psyche, blending tension with suspenseful storytelling to deliver an unforgettable experience onscreen.
