The theme this year, “Strengthening Democracy through Local Action and Innovation,” aligns perfectly with Vice Mayor Bracchi's commitment to fostering a dynamic and inclusive community. Three standout projects will be highlighted: the transformative Wilton Drive Complete

Streets, the supportive Safe Place Program, and the proactive Climate Resilience efforts.

Wilton Drive Complete Streets: A Vision of Inclusivity

Thanks to Bracchi's leadership, Wilton Drive has become more than just a road; it's the heartbeat of our city. Navigating a unique collaboration across various government levels, this project has turned Wilton Drive into a model of inclusivity and safety. Through an extensive community feedback process, this project ensures that pedestrians, cyclists, and motorists all share the space harmoniously, enhancing the vibrancy of our community.

Safe Place Program: Championing Safety

The Safe Place Program creates a safer environment for all, especially the LGBTQ+ community and other vulnerable groups. With over 45 local businesses displaying Safe Place Decals, the city has woven a network of secure havens. "These decals symbolize a promise of safety and support, ensuring that help is always available," said Vice Mayor Bracchi.

Climate Resilience: Leading by Example

Wilton Manors has embraced a suite of solutions to address climate change and lead the way in sustainability. These initiatives not only safeguard our city but also empower every resident and business to participate in our green revolution. "Our climate resilience efforts are a testament to our commitment to protecting the environment for future generations," added Vice Mayor Bracchi.

As Wilton Manors prepares to share its story of innovation, diversity, and active community participation, Vice Mayor Mike Bracchi's leadership is at the forefront of these achievements. "We are excited to celebrate our accomplishments and continue fostering the strong, inclusive community spirit that makes Wilton Manors truly spectacular," said Vice Mayor Mike Bracchi.
