

Tallsen is Set to Showcase its Latest Home Hardware Products at the Furniture Interior Woodworking 2024 Event

Tallsen is a reputable home hardware manufacturer offering advanced solutions.

ZHAOQING, GUANGDONG, CHINA, May 29, 2024 /EINPresswire.com/ -- [Tallsen](#), a home hardware company with over 30 years of experience, is all set to make a big impression at the upcoming Furniture Interior Woodworking 2024/ FIW 2024 with its most recent innovations that aim to transform the woodworking and furniture industries.

The exhibition event will take place at Pavilion 10, Booth No. 122/6, from June 12 to June 14, 2024, in Kazakhstan.

At the FIW 2024, Tallsen will be showcasing a number of cutting-edge products that will highlight its rich production experience and technology:

Hinges: Designed for effortless installation and exceptional longevity, these hinges have been rigorously tested to endure over 50,000 open and close cycles. Every time, a quiet and seamless shutting is ensured by the integrated dampers.

Ball Bearing Drawer Slides: Made from galvanized steel that resists corrosion, these drawer slides have a sturdy 30 kg load capability. They include built-in buffers to provide quick closing and are simple to use, allowing for multidirectional adjustments and fast installation.

Undermount Drawer Slides: Renowned for their robustness and simplicity in installation, these slides are available in both buffered and push-to-open options, offering reliable performance without wear.

Metal Drawer Systems: Featuring built-in buffers for a smooth and quiet operation, these systems support up to 45 kg, ensuring both strength and ease of use.

Gas Springs: Tallsen's gas springs are high-quality and cost-effective, and they include soft-close functionality to prioritize user safety.

Kitchen Storage Accessories: Engineered for long-term use, these sturdy and reliable accessories come in various options to enhance kitchen storage solutions.
