

MGT combines with AMS.NET, strengthening its commitment to technology innovation in education and government

This partnership makes MGT the 3rd largest Category Two E-rate provider in the U.S.

TAMPA, FLORIDA, USA, May 29, 2024 /EINPresswire.com/ -- [MGT](#), a leading provider of high-impact technology and advisory solutions, announced today that it has acquired [AMS.NET](#), a highly respected technology leader serving K-12 school districts for more than 30 years. This strategic combination represents a significant step forward for both companies, reinforcing MGT's dedication to providing specialized solutions to meet the mission-critical priorities of State, Local, and Education (SLED) agencies, and Fortune 500 infrastructure clients. Combined with AMS.NET, MGT becomes the third-largest Category Two E-Rate service provider in the U.S.

AMS.NET, headquartered in Livermore, California, has built a strong reputation for providing technology infrastructure design, implementation, and support services. Nurturing a remarkable 97% client retention rate, AMS.NET is a trusted advisor with industry-leading engineering and implementation expertise in cloud-based technology, switching, wireless, cyber security, data center, storage, cloud calling, mass notification, video surveillance, and physical security solutions.

Central to this combination is the integration of AMS.NET's experienced team of 160 professionals, known for their collaborative approach and commitment to customer success. The company's commitment to enhancing business outcomes through technology solutions aligns seamlessly with MGT's mission to drive innovation and social impact through technology.

"Our combination with MGT allows us to expand our reach, enhance our service offerings, and provide a broad portfolio of solutions to clients. Together, we drive meaningful change in education technology," said AMS.NET, CEO Robert Tocci. Tocci will transition to serve as a
