We are thrilled to welcome Commonwealth to the UBEO family. Their expertise and dedication to customer satisfaction perfectly complement UBEO's commitment to delivering best-in-class office solutions"

*Jim Sheffield, CEO, UBEO
Business Solutions*

Digital Office Solutions, a prominent player in the office technology industry. This strategic move marks UBEO's commitment to enhancing its footprint in the market and strengthening its ability to deliver comprehensive office solutions to its clients.

Commonwealth Digital Office Solutions, based in Sterling, VA, has earned a stellar reputation for its cutting-edge technology solutions and exceptional customer service over the years. The acquisition aligns seamlessly with UBEO's mission to provide innovative, cost-effective, and sustainable office solutions to businesses of all sizes.

Jim Sheffield, CEO of UBEO Business Services, expressed

his enthusiasm about the acquisition, stating, "We are thrilled to welcome Commonwealth into the UBEO family. Their expertise and dedication to customer satisfaction perfectly complement UBEO's commitment to delivering best-in-class office solutions. This acquisition enhances our commitment to a [customer-centric philosophy](#) and reinforces our position as a leader in the industry."

Mike Sarelson, Owner of Commonwealth Digital Office Solutions, also shared his excitement about the acquisition, emphasizing the benefits it will bring to their clients. "Joining forces with UBEO Business Services presents an incredible opportunity for us to enhance the value we offer to our customers," said Sarelson. "UBEO's extensive resources and industry expertise will enable us to provide even greater support and innovation to help businesses thrive in today's rapidly evolving digital landscape."

UBEO Business Services and Commonwealth Digital Office Solutions are committed to ensuring

a smooth transition for their clients and employees. Clients can expect continued access to the same high-quality products, services, and support they have come to rely on, with the added benefit of access to UBEO's expanded portfolio of solutions.
