first transatlantic and around-the-world flights, Currey expertly navigates through notable events and developments that have shaped aviation as we know it today.

In "Airplane Stories and Histories," readers will embark on a captivating journey through the evolution of aviation technology, from the invention of the jet engine to the iconic aircraft like the Spitfire, Mustang, Concorde, and Boeing 747. With meticulous detail and insightful commentary, Currey brings to life the stories behind these legendary aircraft, offering readers a glimpse into the daring feats and monumental achievements that have propelled humanity into the skies. Whether you're a seasoned aviation aficionado or a newcomer to the world of flight, Currey's extensive bibliography ensures that there's something for everyone, providing ample opportunities for further exploration and discovery in this fascinating field.

"God, The Here, and the Hereafter: The Way to Heaven" by Norman Talsoe emerges as a timely beacon of spiritual guidance in an era marked by uncertainty and tumult. Written from the perspective of an 80-year-old

retired Christian engineer who experienced two profound visions foretelling Christ's imminent return, Talsoe's book serves as a roadmap for readers seeking to navigate the complexities of end-times prophecy and prepare their souls for the divine reckoning ahead. Through meticulous examination of biblical scripture and prophecy, Talsoe unveils Daniel's seven-year timeline, offering insights into the emergence of the Antichrist, the False Prophet, and the ultimate battle between good and evil at Armageddon. With clarity and conviction, Talsoe underscores the urgency of becoming Heaven-ready, guiding readers through the nuances of interpreting the rapture-tribulation timeline and the significance of a seven-year peace covenant encompassing all humanity.
