The infusion of talent from the esteemed UK "The Wall of Sound" collective is the driving force behind the excellence of this track. Led by highly acclaimed, multi-genre bassist Nick Plews with his extensive vision and four decades of industry relationships continue to serve as the catalyst for the song's fiery brilliance. Joining him is seasoned drummer Mark Haynes, bringing over 40 years of touring and recording experience, having collaborated with numerous artists worldwide.

Adding a fresh dynamic is Alex Milligan, wielding his Gretsch electric guitar. Though new to "The Wall of Sound," Alex's musical journey began with UK glam metal bands and spans a decade of diverse collaborations. Enhancing the track's richness are Leicester orchestral legends Paul Jenkins on cello and Dr. Elaine Carter on violin. Their masterful performances add depth and elevate the song to soaring new heights. "The song captures the best of 'New Country' in vocal performance, lyric ideas and some special instrumental backup." Rod Edwards, Musical Supervisor of 'Blood brothers'

Critics are already raving about "the track's enchanting blend of country and western vibes" likening Niki and Ridge to "a modern-day Kenny & Dolly." Phil Oldershaw from BRMB Radio praises "their sophisticated sound that speaks directly to the soul".

Co-writer Cheri Carmody's talent for crafting soul-stirring lyrics shines through, complemented by the collaborative brilliance of Nashville singer-songwriters Dave Lenahan and Ridge Banks. "'Lovin' All Over You' is beautifully written. The lyrics touch your soul and quite obviously come straight from the writer's heart. For every romantic out there, this song will have you 'Lovin' All over' it! I am also 'Lovin' All Over' the vocals, perfection in every sense." Lyn Paul, The New Seekers.

This collaboration truly bridges continents in its pursuit of musical excellence. The duet was recorded and mixed at both Hidden Creek Studios in Nashville with Kevin Grenier and across the pond at Deadline Studios in Leicester, UK with Adam Ellis. "'Lovin' All Over You' is in the 'Classic Country' section of today's eclectic and diverse genre. A duet with the sentiment of regret that builds from her view to his bursting into a harmonious chorus. Back together swaying to their
