Brian Rose to appear on Alex Jones' Infowars show to discuss his new documentary, "We Will Not Be Silenced"

Scheduled for 2pm EST/7pm BST, during the broadcast, Rose will discuss the themes and revelations of "We Will Not Be Silenced," a documentary that delves into pressing global issues and the fight for freedom of speech in an increasingly censored world.

In a world where online free speech is being eroded every day, the film serves as a timely reminder of the role that Silicon Valley plays in dictating what we can and can't say, as well as charting our fightback against censorship and our commitment to independent broadcasting.
