To make these dreams a reality for children that may be turned away from other wish-granting organizations that require a life-threatening or critical diagnosis, Sunshine Foundation relies on the generosity of individuals, organizations, and corporations to help keep the Dream Village a peaceful and relaxing escape from reality for the children and their families that stay there while on their Dream Come True Trips provided by the Sunshine Foundation.

The most common request is a Magical Dream to visit Legoland, Universal Studios, Disney World, and SeaWorld while choosing to stay at the Sunshine Foundation Dream Village near Disney. Sunshine Foundation also answers Special Dreams: shopping sprees, computers and iPads, outdoor playsets, above ground swimming pools, family trips, cruises, adaptive tricycles and other special needs equipment, plus many more.
