With mesmerizing pool views, Palma is the heart of the hotel, where handcrafted cocktails and signature spirits are among the creative specialties and weekend live music transports guests to a social scene reminiscent of the city, all within the hotel walls.

Distinctive Guestrooms and Suites

Outdoor Oasis

Palm trees and botanical landscapes line the reimagined pool deck, creating a secluded escape in the heart of the bustling city. Six newly constructed private cabanas, designed with reclaimed wood and natural fabrics feature personal televisions, a stocked mini refrigerator, private lounge chairs and a dedicated server. This outdoor oasis transforms into a wellness haven, with new fitness experiences on its expansive lawn, featuring yoga, HIIT and sound bowl healing classes. Additionally, fun energy-boosting opportunity awaits, as the lawn comes to life with entertainment including live music, a weekend DJ series curated by Giant Step and more.

Gastronomic Delights

At the helm of Hilton West Palm Beach's four dining concepts is Executive Chef Rodrigo Mezadri, whose culinary prowess has been refined over the past 20 years, traveling the world gaining a repertoire of international cuisine.

- The exuberant outdoor patio and expansive fire pit to the artful dining room and wood-burning grill flavors, this dynamic collection includes its signature restaurant, Galley. The award-winning indoor and outdoor restaurant has debuted a new look and bold menu featuring an array of internationally influenced dishes, handcrafted cocktails and monthly five-course wine dinners.
- Mezze has debuted as a Mediterranean-inspired, indoor-outdoor eatery, utilizing fresh and local fare in an array of globally influenced dishes for breakfast and lunch.
- Provisions, an all-day European-inspired patisserie and market, serves fresh-baked pastries and local favorites, such as Pumphouse Coffee.
- La Playa, the tropical poolside eatery, is an island-inspired outpost, serving refreshing cocktails and specialty spritzers for sun-kissed poolside treats and light bites including tacos, pinchos, salads and more.

Culturally Enriched

Hilton West Palm Beach presents a new collection of modern art curated by Eaton Fine Art, an award-winning, full-service art consultancy firm based in Austin, Texas. The collection champions local artists from underrepresented communities, drawing inspiration from the rich scenery of West Palm Beach. Galley showcases an art collection that includes black-and-white photography of native wildlife by Florida-based photographer Liesl Marelli, images by Christina Cernik Wof and portraits from Bahamian photographer Blair Meadows. Selected artwork in the newly redesigned suites include drawings by Mark Rebennack, paintings from Cuban-American visual

artist Juan Alonso-Rodríguez and mixed media collages by Kaylee Dalton. Further enhancing guests' arrival experience, the backlit lobby installation features local flora carved into a wood veneer. The custom copper metal wall art behind the lobby concierge desk, debuting at the hotel's opening in 2016, features hand-forged iron with each piece acting as a ripple in a tide, complementing the ceiling panels, etched with leaf contours.
