

Massachusetts Mesothelioma Victims Center Appeals to a Talcum Powder User Who Now Has Mesothelioma Anywhere in Massachusetts to Call Attorney Joe Belluck of Belluck & Fox-Hire the Best Attorneys-Get the Best Compensation

BOSTON , MASSACHUSETTS , USA, June 5, 2024 /EINPresswire.com/ -- The Massachusetts Mesothelioma Victims Center is appealing to a person who has just been diagnosed with mesothelioma in Massachusetts to please call attorney Joe Belluck of Belluck & Fox at 866-714-6466 to discuss financial compensation if they were a regular user on talcum powder-baby powder. It has recently been discovered that talcum powder-baby powder contained asbestos. People that never had a job like a navy veteran, shipyard or a factory that never had exposure to asbestos at work may have been exposing themselves to asbestos daily by using baby powder-talcum powder.

According to the Massachusetts Mesothelioma Victims Center, "We used to call it out of the blue mesothelioma where we could not trace or figure out how the person was exposed to asbestos. We now ask-did you ever use baby powder-talcum powder-and now the answer is almost always yes. Unlike your typical person with mesothelioma-these people might be in their 20s. They might be an athlete or someone who just liked using talcum powder-baby powder after a shower

or bath. Joe Belluck is one of the nation's leading experts on these types of people who have developed mesothelioma.

"If you are a user of baby powder-talcum powder and you have just been diagnosed with mesothelioma in Massachusetts please call attorney Joe Belluck of Belluck & Fox at 866-714-6466. As he will explain-compensation for a person like this might exceed a million dollars."
