

# Minnesota Mesothelioma Victims Center Urges a Former Construction Laborer with Mesothelioma Anywhere in Minnesota to Call Attorney Erik Karst of Karst von Oiste-Get a Compensation Result That Might Be Millions of Dollars

MINNEAPOLIS , MINNESOTA , USA, June 4, 2024 /EINPresswire.com/ -- The Minnesota Mesothelioma Victims Center says, "If you are a former construction laborer or construction worker with recently diagnosed mesothelioma anywhere in Minnesota or their family members, please call attorney Erik Karst of Karst von Oiste anytime at 866-714-6466 to discuss financial compensation. Erik Karst is Minnesota's best known mesothelioma attorney and he and his remarkable team at Karst von Oiste consistently overachieve when it comes to compensation for their clients.

"A construction laborer or worker might have had nonstop exposure to asbestos on a job site in Minnesota-especially before the early 1980s because there were no rules about preventing workers from being exposed to asbestos. Many construction laborers in the 1960s or 1970s were college or high school kids who after school may have gone on to careers where they were never exposed to asbestos again. Based on our two decades worth of experience we know for a fact that construction laborers or workers who now have mesothelioma frequently underestimate the potential value of their compensation claim.

"If you are a former construction laborer or construction worker with mesothelioma anywhere in Minnesota, please call attorney Erik Karst of Karst von Oiste at 866-714-6466 for a serious conversation about financial compensation. We are certain you will be glad you did."

The Minnesota Mesothelioma Victims Center is also appealing to a Navy Veteran or worker who had significant exposure to asbestos before 1983 and who now has lung cancer anywhere in Minnesota to please call them anytime at 866-714-6466 about compensation.

A compensation settlement for a person like this might be hundreds of thousands of dollars, and for Veterans there might also be VA Benefits.
