

California Mesothelioma Victims Center Urges an Oil Refinery Worker Who Has Mesothelioma Anywhere in California To Call LA Based Attorney Andy Waters of Waters & Kraus About Compensation and Getting the Best Results

LOS ANGELES , CALIFORNIA , USA, June 6, 2024 /EINPresswire.com/ --

According to the California Mesothelioma Victims Center, "If your husband or dad is a current or former worker at an oil refinery in Carson, Long Beach, Torrance or any other refinery in California and they now have mesothelioma, please call Los Angeles based attorney Andy Waters of Waters & Kraus anytime at 866-714-6466. Andy Waters is one of the most skilled and experienced mesothelioma attorneys in the nation and he would be our top pick for anyone with this rare cancer in California. We need to also emphasize Andy Waters has represented oil refinery workers with mesothelioma before.

"An oil refinery worker prior to the early 1980s would have had to deal with asbestos exposure on a regular basis in California-especially if they were a boilermaker, electrician, machinist, mechanic, plumber-pipefitter, insulator, a member of a repair crew, a laborer or a manager-supervisor-production worker. To prevent the spread of fire, oil refineries nationwide were loaded with asbestos before 1980.

"If your loved one or dad is a current or former oil refinery worker with mesothelioma anywhere in California, please call Los Angeles based attorney Andy Waters of Waters & Kraus at 866-714-6466. Hire one of the nation's top mesothelioma attorneys-expect a much better compensation result."
