MANCHESTER, TN, USA, June 4, 2024 /EINPresswire.com/ -- [Quiet Events](#) Inc., the trailblazers behind wireless headphone silent disco parties, is thrilled to announce their third consecutive year of powering Bonnaroo's silent disco on The Who Stage in Manchester, TN. This year, they're making history by debuting their first all-female DJ lineup on opening night of the festival's popular after-hours silent disco.

Female headliners opening the first night of Silent disco include Feast from NYC, Kimmy K from Austin and Proper Savage from Houston. They will be on deck Thursday, June 13th into Friday, June 14th, 11:59pm to 3:30am.

Quiet Events Founder William Petz says, "We're thrilled to bring an all-female DJ line up to kick off our silent discos. Festival-goers are in store for an unforgettable silent disco experience, and if it inspires some more women to become DJs, we'll take it."

The Fri night/Sat morning silent disco DJ lineup will feature the talents of AR from Austin, TX, as well as DJ Lightning and Riddaugh, both hailing from NYC, with the festival's silent disco finale Sat night / Sun morning featuring sets by all of Quiet Event's DJ talent.

Attendees can expect the silent disco experience they've come to love at Bonnaroo with hundreds of festival-goers dancing, singing, and socializing—all while wearing wireless LED colored headphones into the wee hours of the morning.
